

Wizard-Kleen™

U.S. Patent No. 6,708,717

Water Flushing System

PRODUCT # FDO 1111111

PRODUCT # FDO 1111211

This design is an environmentally friendly, non-chemical water powered method for *cleaning and maintaining* all A/C split system drain pipes, residential and commercial.

- Ideal for areas with water accessibility.
- A complimentary attachment to a new or existing air handler.
- Water power flushes out and unclogs A/C drain line contaminants.
- Easily attaches to a water hose fitting.
- Can be mounted horizontally or vertically.
- Made of durable PVC material.
- Easy to install and maintain.
- Input & output connection available in different configurations.
- 3/4" & 1" pipe size available.
- For residential and commercial use.

1-YEAR LIMITED WARRANTY

Wizard-Kleen™ is an affordable, convenient solution for cleaning and maintaining A/C drainpipe pathways.
